PORTFOLIO OVERVIEW

Author of Freedom in Chaos — A Journey from Distraction to Awareness
Available on Amazon Kindle

Academic Background:

Ph.D., University of Washington

ORCID: 0009-0001-7009-9945

Research: Complex systems, narrative science, philosophy of mind

Philosophy:

I study how humans break, heal, and hope. My work bridges science, storytelling, and awareness to explore freedom in a distracted world.

Selected Themes:

- Science communication through narrative
- Interdisciplinary research and performance
- Philosophy of freedom and chaos
