OSF Research Profile: <https://osf.io/sp8kz/>

Published Author

Freedom in Chaos — Available on Amazon

Words to the Reader

This is not just a book.

It is a mirror, a pause, a compass for your inner wilderness.

In a time where distraction is worshipped and noise is normal; you are holding in your hands a rebellion made of stillness.

A pocket-sized revolution.

A return gift to nature, written from silence, for those ready to hear it.

Seeking Debut Feature/OTT Role | Available for Auditions
